

The below are open to all Callawassie Island Residents [not just Callawassie Island Photography Club (CIPC) Members]

On-Island Meetups: From now through the end of the year, we will have a series of “on-island” photo opportunities as well as some off-island events. Every other Tuesday morning from 8 am -9:30 am, starting on July 23, and running through October 15th, there will be a “on-island” meet up to explore photography opportunities on Callawassie. These are open to all Callawassie members and are meant to include some instruction for those that want it, including those new to photography. Each session will begin at the butterfly garden and may include moving to other locations on the island to take advantage of photo opportunities depending on tides, weather and wildlife activity. No need to RSVP for these meet ups. Just show up. These meet ups will occur on the following dates:
